July Winter Peel Promotion

Purchase a course of 3 prescription peels and receive 3 LED Light Therapy sessions with our compliments.

Our prescription peels are a rapid way to improve the skin's texture and tone!

By removing dead skin cell build-up and stimulating skin regeneration, our customised peels offer noticeable and lasting results in improvement of a range of concerns including:

- Wrinkles and fine lines
- Sun damage
- Pigmentation
- Acne and regulation of oil production
- Pore size
- Dry and dull skin

During a complimentary skin consultation, our experienced dermal therapists will tailor a plan to address your particular skin concerns.

~~Normal price \$654~~
